Our Mission... Creating Successful Entrepreneurs

The Entrepreneurship Society is a student organization that fosters creative ideas and encourages UT Arlington students to pursue their own entrepreneurial dreams. The Society is dedicated to spreading the spirit of entrepreneurship across campus and beyond. At Society meetings you will learn what it takes to be a successful entrepreneur, including the benefits and challenges associated with entrepreneurship. The Society's mission is to:

- Stimulate an entrepreneurial culture across the UT Arlington campus,
- Facilitate networking between members and the entrepreneurial community,
- Offer workshops to help members develop the skills needed to successfully launch a new venture,
- Encourage member participation in new venture case and elevator pitch competitions, and
- Provide members the opportunity to learn from successful entrepreneurs.
